December 22, 2003

HAPPY HOLIDAYS FROM PENREN

Wedges 2-5 Renovation

Wedges 2 through 5 encompass 4.5 million square feet of Pentagon space to be renovated by 2010.

A new tunnel corridor is being built to allow tenants to walk through the demolition area of 2nd floor and Corridor 6.5.

Outside in the courtyard, ground wires are welded to make connections permanent.

Roads, Grounds & Security

Two Roads, Grounds and Security Projects are currently underway, the Remote Delivery Facility Secure Access Lane (RDF-SAL) along Route 27 and the Pentagon Secure Bypass (PSB) Lane which involves the rerouting of Route 110 through the Pentagon North Parking lot.

RDF-SAL

Architectural fencing that will separate the pedestrian/bike path for the Secure Access Lane.

Lights are up for the new secure portion of North Parking

PSB

Pentagon Renovation Program

"MEET THE RENOVATORS"

Fred Moreno, Administrative Services Team Leader

Fred comes to PENREN after 20 years of service in the Army. As Admin. Services Team Leader, he directs a team of professionals that performs diversified functions, from issuing visitor badges, managing parking permits, processing access badge applications, and updating the PENREN organizational chart

In his own words: "I like working in an environment where I can help people. Working at PENREN each day presents different customer service challenges, that keeps it interesting and satisfying."
